

## **Tulsa Planning Office Senior Planner**

The Tulsa Planning Office at INCOG is seeking qualified applicants for a Senior Planner position. The Senior Planner will lead Strategic Planning, a data-oriented process that directs the allocation of programs and services towards specific areas where funds and other resources are most needed, can be readily utilized, and are most likely to achieve sustainable success in alignment with City priorities.

The Senior Planner will engage with City departments and assist them on their specific project needs using Strategic Planning. The person in this position will also assist in other initiatives, such as updating the Comprehensive Plan (PlaniTulsa) and other targeted area plans, plan implementation and tracking, and the Destination District and Vibrant Neighborhoods Partnership programs.

The position requires knowledge of economic, social, health and/or physical needs of an urban community; and good knowledge of physical design as applied to city planning; ability to work collaboratively with a wide array of individuals from various backgrounds; and must possess excellent project management skills. Excellent oral and written communication skills are required along with computer proficiency in Microsoft Office and Adobe Creative Suite. Knowledge of GIS mapping, data analysis and visualization platforms is preferred.

Minimum qualifications: Bachelors or Master's degree in Urban Planning or related field and five years of experience in urban planning is required. Annual salary range starting at \$60,000, although specific compensation based on candidate's qualifications and experience. Comprehensive benefits package included.

Please submit a résumé detailing employment history, experience, education, and contact information; and a cover letter that explains why you are interested and qualified for this position to: Personnel Director, INCOG, 2 W 2nd Street, Suite 800, Tulsa OK 74103, or e mail to [resumes@incog.org](mailto:resumes@incog.org).
